

Southern Oregon Occupational Safety & Health Conference

PO Box 1481 • Medford • OR • 97501

Dear Prospective Sponsor,

In a difficult economy, it's especially challenging to develop and maintain viable safety and health programs in local workplaces – now is the time to think innovatively and collaboratively. To assist employers in our region, the Southern Oregon Chapter of ASSE and Oregon OSHA are working to help businesses meet their challenges by providing accessible, high-quality educational information at the 19th annual Southern Oregon Safety and Health Conference. It will be held at the Smullin Center on October 21 & 22, 2009. We are asking you to join us as a Corporate Sponsor of this event.

As a nonprofit organization, ASSE welcomes the tax-deductible contributions that sponsors provide so we can continue to allow this exceptional conference to remain affordable to all. Your sponsorship will equip owners, managers, and safety leaders with tools to survive and succeed in this economic climate, while keeping workplaces safer and addressing the tremendous costs of workplace injuries, illnesses, and fatalities.

Sponsorship Information:

- Sponsors are recognized at the event.
- Financial Contributions help to offset cost such as attendance costs, meals, speaker gifts and other overhead costs.

General Contributions

\$100.00

\$250.00

\$500.00

\$1000.00

Other – Company Logo shirts, hats, gift certificates, etc. for door prizes and company recognition during conference classes and events.

Please contact our committee representative below to answer any questions and to further explain the many options available for sponsorship of the 2009 Southern Oregon Occupational Safety & Health Conference.

Best regards,

Southern Oregon Conference planning committee
